Net operating income

Net operating income for April 2026 was **CAD \$13,100**, representing a 40.4% margin — above the portfolio average of 39.5% and improving 1.2 percentage points month-over-month. The improvement is driven by a faster-than-projected turnover on Room 4D (4 days vacant vs 11-day portfolio average) and lower-than-budgeted utility consumption due to milder weather.
